Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: I live directly over the back opposite this property and I am worried that this will have an impact getting my vehicles out of my garage, making it more difficult to manoeuvre. There will also be obstructions within the access way which I use on a daily basis with debris and other heavy vehicles using this to make deliveries to the said property which will hinder the condition of the access way itself. I strongly object to this!

Kind regards
