I would like to register my objection to the proposed change of use from a public house to a dwelling house. We visited friends regularly and found the pub to be thriving and was certainly a hub for the community to meet up.

I can only think that the sole reason for this application is purely based on a monetary basis, with the owners potentially developing it into 2-3 houses.

Apparently you could rent a B&B, but we have never been able to find any details of this.

Kind regards
