Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: Please refer to my previous comments objecting to change of use. The applicant appears to have acted dishonourably throughout this whole sorry saga. If he does not want to run this building himself as a public house, then in the best interests of the village he should allow someone else the opportunity to do so by placing the pub on the market at a reasonable price. It is of course the only pub in the village and the applicant has demonstrated utter contempt for the local community (including his former customers) in acting the way he has.

Here is another opportunity for Gravesham Borough Council to act in the best interests of the village rather than one individual. I urge rejection if the proposal.

Kind regards
