Reasons for comment:

Comments: This pub was the heart of the Harvel community. This was a place where the local community could meet and spend time together. It has been sorely missed. The only reason the current landlord wants to convert the pub into houses is to line his own pocket. If you look, it seems like he has already started the conversion regardless of whether he has permission or not. Gravesham council have the opportunity to support the residents of Harval and keep this as a local pub for all to enjoy.

Kind regards
