Reasons for comment:	
Comments:	I strongly object to the proposed planning permission for new homes in Meopham. Although I have recently had to move away for work, this was never a true choice, Meopham has always been, and will always be, my home. Growing up here has given me a deep understanding of how tightly knit and delicate our community is, and I can already see how significantly this development would disrupt it. The village simply cannot keep up with its current demands, let alone additional pressure: there are not enough doctors, dentists, or school places as it is. Meopham is defined by its natural surroundings and rural character, and it must be protected from overdevelopment that threatens precisely what makes it special. I urge you to reject this proposal to preserve the integrity and sustainability of our village.

Kind regards
