| Comments: | <p>I object this proposal on many accounts as follows:</p> <p>Every deed contains the same information in the papers so why is number 19 allowed to be different. Deeds always provide the same restrictions. This is purely for financial purpose only and not for doing a great deed in life. This is not taking neighbours' considerations. 3 bedrooms given out can provide a lot of financial money to the owner. The Fairway is always congested with traffic from schools, cars, truck deliveries. It will be even more hard to park when staff and visitors come to the property. This is going to be unnecessary disturbance even on overnight hours and issues with anti-social behaviour. It is a quite residential area for people who want to live here in peace. There has to be 24 hours supervising but is that going to be the case. Staff shift changes will mean in vehicle noises.</p> |
