

1. **Staffing Details:** The maximum number of staff on site will be **four** during the day shift (7 am to 7 pm), broken into a ratio of 2:1 per child. During the night shift (7 pm to 7 am), there will be **two** staff members present.
2. **Electric Vehicle Charging Point:** We agree with your recommendation for one electric vehicle charging point and will include this in our plans to ensure the site is sustainable.
3. **Cycle Storage:** Secure, enclosed cycle storage will be incorporated into the design, catering to both staff and residents, as per your guidance.
4. **Dropped Kerb Approval:** There will be no material change to the dropped kerb as we do not intend to use that entrance .
