Reasons for comment:

Comments:	I strongly object to this. The neighbourhood is residential, there is a school close-by and it currently is a pleasant area of Gravesend in which to live. There are takeaways within walking distance and another is not needed. The impact on residents, roads, Woodlands park, pavements is not to be underestimated. I have no objection to a restaurant and or public house that has more reasonable opening hours, healthier choices of food, is not a take-away, but is more appropriate for a residential area. It concerns me that the extra traffic, continuous footfall, litter, congested roads etc will be so detrimental to the area. Wrotham Road itself is frequently very busy and is a main artery for access to the town, and I fear that it will become a nightmare to navigate. There is no other access to the Woodlands site other than from Wrotham Road. Then there is Woodlands Park. This park is no longer protected at night by locked gates and I am concerned that it will become even more of a hotspot for bad behaviour and litter. There are already 2 MacDonalds in the town ideally situated in retail areas; there is no need for a third. I will be absolutely furious if the application is passed. I am hoping that those that vote, care for the residents, the area, the health of Gravesend and the overall wellbeing and reputation of the town.
