Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Can the council please independently review the noise reports and undertake their own tests. I and the neighbors at [REDACTED] have not noticed any reduction in noise in flat an increase in the noise levels. Also could the verification of the change of the filters used to stop the smell please be check as through the summer and now we at [REDACTED] have had to keep our back windows constantly closed due to ghe smells.

Kind regards
