Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to the damage to the local environment, including the destruction of trees and the impact to wildlife. No consideration has been given to the local planning regulations before a vast amount of work was undertaken. I also have concern regarding the blind spot for traffic coming from Meopham with vehicles pulling from the last gated driveway on to the road. I also believe that an error was made when the inspector gave planning for one resident on the wrong plot. Thank you

Kind regards
