Reasons for comment:	
Comments:	This would be a complete disaster. The situation outside of Meopham parade is already a hazard to public safety with the lack of spaces and too many cars. There is already not enough space for the current residents to park safely or shop. Building more houses here would not only be extremely unpleasant and negatively affect residents but also be very unsafe. I am also concerned about how this will impact other residents, aka me and my family. I grew up in Meopham and I am very sad to think of it becoming a bustling town when it is currently a peaceful village to live in the countryside.

Kind regards
