Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	strongly object roads too dangerous for traffic generated by proposal. not anywhere now to park to access local shops schools and doctors. Lanes become clogged and unpassable at busy times anyway. Will ruin what tranquillity we have left. With that many more cars roads dangerous for our youngsters attending school and clubs. will overstretch already struggling vital services. please leave our village alone

Kind regards
