## Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Extra volume of traffic not sustainable rural roads making it dangerous. Extra pressure on our already overstretched services schools doctors and shopping. No where now for us to park for these services village already at bursting point. Loss of precious outdoor green space frightening and detrimental to local wildlife. A227 a very dangerous busy fast road dread to think what such large additional traffic will have save our village please

Kind regards
