Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>Strongly object.</p> <p>Proposal will totally destroy the environment.</p> <p>Development is completely disproportionate.</p> <p>Meopham is a village.</p> <p>Inadequate local facilities.</p> <p>Will result in traffic chaos / blockage of A227.</p> <p>Destruction of habitat for birds and diverse wildlife.</p> <p>Location railway station not relevant - reduced services.</p> <p>Poor bus service.</p> <p>Not appropriate for affordable housing.</p> <p>Focus must be on Gravesend, especially brown field.</p> <p>Old hospital site, Tolgate (why another garage ?) and canal basin area.</p> <p>Housing and new shops should replace old council offices and Woodville otherwise another long term derelict building in town centre.</p> <p>Light and air pollution. Neighbouring area has no street lighting.</p> <p>Loss of farmland with lost production and jobs.</p> <p>Cannot dig for Britain on brownfield town site.</p> <p>Serious flood risk. Area including A227 and end Tradescant prone to flash floods already.</p> <p>Meopham residents value rural location which will be lost forever.</p> <p>Will destroy present community.</p> <p>Combined developments will remove village boundaries</p>

Kind regards
