Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I would like to formally object to this planning application on the grounds of the proposal not being fit for a close knit residential area housing alot of seniors and young children. The police report advises that staff at the potential care home must wear bdy worn cameras and have alarms on their person which is a major caude for concern. The property also sits in an area where alot of young children walk to and from the nearby schools and I believe this could become a potential risk if permission for this application was granted

Kind regards
