Reasons for comment:

Comments: My mother and I were completely shocked to see the utter devastation caused by whoever transported the enormous 'mobile' home onto land without any permission whatsoever and the mindless destruction of trees on adjacent properties during this transportation.
I can not believe that this situation was allowed to escalate in the first place and worry about what else will be vandalised in the surrounding areas. We strongly feel drastic action must be undertaken by the relevant authorities as a matter of extreme urgency before more of our beautiful countryside is ruined.

Kind regards
