Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to the building of these houses as the plan is totally inappropriate and does not benefit the local people's needs or wants. Increased traffic, increased pollution, increased danger to our children and elderly residents using the roads.Loss of green spaces and overdevelopment leading to overcrowding.Added patients at doctors and dentists and hospitals.Shops and schools already at risk of being overcrowded and no public transport on a daily basis more cars more people less wildlife less farm land less food more urban waste it's a no win situation everyone losses on village life. Just say NO

Kind regards
