Reasons for comment:

Comments:	<p>Really disappointed that this has even been considered.To ruin a rural community who already struggles with schools and doctors because of people coming in from other areas . It will be a complete eye sore and will change the village.Bringing more traffic , more people (not Istead risers) who are not used to rural life and don't interact. The bus service is awful here and only runs about every hour if it turns up . In the school holidays buses don't run until later in the day so people working have to use taxis etc .</p> <p>They try and encourage people to leave cars at home and use public transport . This new estate will cause chaos to the buses or chaos to the roads .</p> <p>We've lived hear like most people on the Rise for 30 + years and have the lovely view as a bonus now to be ruined . Why ? For the only supporter being no 64 Downs Road for financial reasons .</p> <p>Most people on the Rise are older now and will probably not be able to object on line . please consider those whose lives it will effect and maybe even ruin !</p> <p>There must be other areas with land to consider which would not have such a dramatic effect.</p>
