Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	I object for the following reasons: Green belt is protected land. Light & noise pollution. Dangerous driving & parking. Defamation of area character. No valid reason to change the use of land. They have already breached contractual agreements; digging & electrical works have begun before official acceptance. The new 'occupants' have already stated they would be cutting down all trees in the area. I would however not object to another use of the land. For example: a village shop (independent or chain), leisure centre for village community (tennis court, bowls centre ect...), or even a small bungalow to allow a new homeowner in the area. The current proposal shouldn't even be under consideration.
