Officer Assessment

The purpose of this assessment is to ascertain whether the widening of the existing vehicular access is lawful and therefore Class B of Part 2 to Schedule 2 of the GPDO (2015) (as amended) is applicable as is Class F of Part 1 Schedule 2 of the GPDO (2015) (as amended).

Class B of Part 2 to Schedule 2 of the General permitted Development Order states that development is permitted providing:

B. The formation, laying out and construction of a means of access to a highway which is not a trunk road or a classified road, where that access is required in connection with development permitted by any Class in this Schedule (other than by Class A of this Part).

Northumberland Road, is not a Trunk Road nor a Classified Road and therefore satisfies Class B of Part 2 to Schedule 2 of the General permitted Development Order.

The above also states:

where that access is required in connection with development permitted by any Class in this Schedule (other than by Class A of this Part).

Therefore the submission will also be assessed Class F of the Schedule 2 Part 1 of the GPDO.

	Either the hard surface is made of porous materials, or provision is made to direct run-off water from the hard surface to a permeable or porous area or surface within the curtilage of the dwellinghouse.	Y – See Officer Analysis

Officer Analysis

Schedule 2, Part 1, Class F.2(b) of the Town and Country (General Permitted Development) (England) Order 2015 requires the hard surface to be made of porous materials, or provision is made to direct run-off water from the hard surface to a permeable or porous area or surface within the curtilage of the dwellinghouse. As can be seen from the below image the current hardstanding is already served by an Aco Channel Drain and therefore complies with the aforementioned.

Conclusion

The proposed development complies with Schedule 2, Part 1, Class F and Class B of Part 2 to Schedule 2 of the Town and Country Planning (General Permitted Development) (England) Order 2015, as amended, and the Lawful Development Certificate is granted.
