Reasons for comment:

Comments:	In this currently beautiful landscape, of Gold Street ,Cobham, Gravesend, Kent, DA12 3AA, it is intended to place a winery a horrible looking industrial unit, scarring the current green belt, placing it into an area of outstanding natural beauty ... No! No! No! This endeavour, if successful, will destroy the amenity of the area, for the public, for ever, I repeat ... for ever. This, if successful, would be unforgivable. The construction of the winery building is aimed at destroying existing natural beauty. I understand that the developer of the Winery is non domicile to Kent or... even ... England. It is said he lives in ANDORA! No doubt, he lives in beautiful surroundings, but happy and content to condemn residents of Gold Street and surrounding areas, to a future of constant industrial turbulence and permanent unhappiness. You need to reject this awful application!
