Reasons for comment:	
Comments:	I strongly object to this application as it would destroy this beautiful corner of the local AONB. I visit often with my family to walk our dogs, it's on our doorstep and we're so fortunate to have this wonderful tranquil rural landscape so close to Gravesend. I enjoy running in the area too and was horrified and disappointed to learn of the siting and size of the building, it's looks like an industrial unit and why put it on the highest most visible part of the field. My family are all so upset to hear of this and very much hope the location can be reconsidered so it won't be such an eyesore.

Kind regards
