Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Their apparent disregard to the legal process and treatment of the ancient woodland should show enough evidence of the blatant disregard for our local environment. The law has been broken. Ancient trees destroyed which was clearly premeditated. With this attitude how long before other trees are destroyed for heating and alike. This is green belt and protected area for a reason. The local community have no longer sympathy with their cause. Common sense needs to prevail.

Kind regards
