Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	This land has a long standing High Court ruling preventing the use of the land for residential development. It is clear Mr. Shilling is trying to ignore this, as alongside this planning application a mobile home has already been brought onto the land. Significant damage to the trees along White Post Lane was caused in order to provide access for the mobile home. Without immediate remedial actions this will allow easy future access for large vehicle / further illegal mobile home installation. This damage to the environment shows a clear lack of respect for the law and local community. Agreeing to this planning application would set a precedent for further expansion of what would be a Gypsy/Traveller site and the incorrect use of land which had clearly been laid out in the High Court Injunction of 2009
