Reasons for comment:	
Comments:	This is an illegal application as [REDACTED] ordered an injunction on this land preventing any residential use back in July 2009. This still applies to the new applicant Mr M Shilling. He has already defied the Order (court ref - HQ09X02792) by moving a mobile home onto the land and so he should be fined and all assets seized. He should also have punitive action taken against him for the wanton destruction of the trees along Whitepost Lane while accessing the site. Seven previous applications have been refused for this site and this one is no different. I fail to see why GBC even allowed this illegal application to be made as they could be held to account for allowing the applicant to remain on the land.

Kind regards
