Dear Sirs

Re The Red House, Wrangling Lane, Luddesdown, Gravesend, DA13 OXF
Application for an Existing Lawful Development Certificate for two existing
Outbuildings. REF: GR/2025/0272

The Society notes the site is in an area within which Green Belt Policies apply and the North Downs National Landscape Area. The Society would wish to object to development on this site since it is likely to impact adversely on the openness of the Green Belt and the North Downs National Landscape Area.

The Society notes that a previous application 2024/0236 (to which the Society objected) also related to this site and appears not to have been determined. The Society would therefore question if an enforcement investigation is required.

Yours faithfully

Mrs P A Lippiatt
Hon. Secretary
