Dear Ms L Fisher

Re 'Westwood' Whitepost Lane, Culverstone, Gravesend Kent DA13 0TW
Application for the variation of condition 2 attached to planning permission reference number 20240043 for the erection of a single storey rear extension and first floor extension over existing garage. Conversion of garage into habitable rooms, erection of an outbuilding to the rear and detached double garage to the front. Front boundary wall and gates, to allow; the repositioning of the double garage. Application GR/2024/0682

Thank you for your letter of 29th July 2024 concerning the above. The Society notes condition 2, attached to planning permission 2024/0043, lists the approved drawings including inter-alia drawing WES/278/03 which defines the location of the two car garage. The Society further notes that application 2024/0601 to relocate the garage near the road (to which the Society objected) was refused. The Society notes that application 2024/0682 seeks to vary condition 2 to allow the garage to be relocated.

Accordingly, the Society wishes to register an objection to planning application 2024/0682 since its objective is to amend condition 2 to enable the garage to be relocated.

Yours sincerely

Mrs P A Lippiatt
Hon. Secretary
