- Do not scale off this drawing
1. To be read in conjunction with all architects and engineers drawings
 2. All level and setting out information is based upon the topographical survey undertaken and provided to ABP by others. ABP takes no responsibility for the accuracy of this topographical survey. Co-ordinates are to local grid.
 3. All discrepancies to be notified immediately to contract administrator and engineers.
 4. Only 'Construction' drawings shall be used for construction or the ordering of materials. Any other drawings (tender / billing / work in progress etc.) drawings shall not be used for this purpose.
 5. Contractor to avoid clashes with any existing services or infrastructure (any infrastructure to be retained/diverted/abandoned to be done by others and in accordance with Engineering drawings).
 6. All special DPC detailing (required due to levels) to be in accordance with Architect details.
 7. External steps to be in accordance with Building Regulations Part M and Architect details.
