Reasons for comment:	
Comments:	I cannot object more strongly to this. It will be an increase in noise and traffic and will add to parking issues in the area. It is absolutely not in line with the character of the rest of the village and will bring disruption and social disturbance. Recently, the individuals looking at the property blocked the road and were abusive to villagers. I believe this was reported to the council. It sets a dangerous precedent for other such dwellings to be put in our village.

Kind regards
