| Comments:            | As a daily visitor to Shorne for many years (I live 5 mins away and have a horse stabled there and my children all attended the primary school) I object to this because it is not in keeping with the village and should not be allowed to go ahead. The fact that they already caused a massive amount of disruption moving a mobile home onto the site without permission is bad enough. They will not be of benefit to the local area either socially or economically and this will cause a major concern to both residents and visitors to the village. |
