Reasons for comment:

Comments:	My only concern about this is Brewhouse Yard. For far too long Brewhouse yard has been a dumping ground for people who have lived above the shops for too long. My concern is of rubbish and waste management for these properties. Time and time again we see bin bags, furniture and rubbish just left on the road on Brewhouse yard. This makes my job already hard when trying to run a business as face value always tips the minds of new clients.
