Reasons for comment:	
Comments:	On the basis that it is deemed that this is land that cannot be developed as it is protected it seems Logical to refuse this application. Furthermore they are already ripping trees down and erecting buildings contrary to the law of the land so surely this is an application that cannot be allowed. On this basis plus the lack of infrastructure (access via road) plus the undeniable environmental impact of tarmacing over grassland and destroying natural habitat I urge you to reject this application

Kind regards
