Reasons for comment:

Comments:	<p>This is one of a number of planning applications within a mile radius of Sole Street and Meopham.</p> <p>I hope it is being considered as another proposed development in small area that is green belt and does not have the infrastructure or services to cope with potentially another 2000 people plus cars.</p> <p>What is going on? I have lived here 20 years in a community that support each other and want to protect our green belt. This is greed and the developers have no interest in our living space. This application is yet another money making scheme!</p> <p>What about using the land for community spaces or retirement homes for local elderly people who wish to stay in the area they have lived most of their lives.</p> <p>Now wouldn't that be refreshing!</p>
