Reasons for comment:	

Comments:	A child who has been disowned by its parents or for other reasons is a very sad case how would anyone like to be in that position? What if that was your child? Would you not want them cared for in a secure neighbourhood? Why is everyone so selfish? This is a PRIVATE residential application not a business like multiple dwellings on the same road where businesses are run from residential addresses I fully support this application every child has a right to be cared for
