Dear Sir/Madam

Reference Planning Application 20240544

Objection Planning Application 20240544 Cobham House Vineyard, Gold Street
Cobham Gravesend Kent DA12 3AA.

The above is a Permitted Development Application for a large building on a hill at Gold Street.

I strongly object to this as it will spoil the whole area (AONB). The proposed track for motorised vehicles to drive across PROW NS190 represents a serious and potentially fatal health and safety risk.

The Applicant proposes a track to carry heavy vehicles to the plant from Gold Street to the building which will cross footpath NS190.

- 1). This represents a huge health and safety risk to users of footpath NS190.
- 2) It will spoil the beauty of the AONB on all the 5 public rights of way and bridlepaths which cross the area.
- 3). It will have a big impact on the wildlife and pollinators in the area due to the noise and light pollution because of this industrial type of enterprise.

I would like to be kept informed about this please.
