Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	We object to the installation of the shipping container be sited at the above site on the following grounds. 1. Shipping containers/ large storage is not congruent with the ethos of a conversation area set out in the council's documentation. It is another example of how over the years the overcliffe area has been compromised by changes that have not been consistent with these principles of conservation and have been made irrespective of them with approval gained retrospectively. They are an eyesore and negatively affects the neighbourhood. 2. This storage will add additional heavy traffic to the site/ the road

Kind regards
