

first & second floor balconies to flats closest to no.22 (F6 & F9) to be extended to have sides facing south-southeast and west-southwest with 1.7m height frosted glass to the south-southeast side, preventing views over the garden to no.22

proposed section

ground floor balconies to flat closest to no.22 (F3) has view over the garden to no.22 obscured by existing 2.4m height brick boundary wall

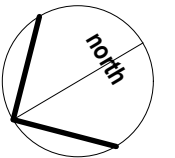

central flats over 22.5m from walled garden beyond electricity sub station

flank wall of proposed houses 5.1m from boundary

walled garden

sunlight to garden of 22 only obscured by proposed house after 7pm between 22nd March & 22nd october. At these times the shadow of the existing trees and garden wall already cast significant shade over the garden.
