12th September 2023

Dear Mrs Joyce

Re Chestnut Green Cottage, Racefield Close, Shorne, Gravesend, Kent DA12 3EL
Retention of detached outbuilding, log store and insertion of rooflight.
Planning Application **GR/2023/0774**.

Further to the Society's letter of 9th September 2023 concerning the above application, apologies are due. The Society misread the proposed site plan which has been presented with north at the bottom of the drawing instead of the conventional north at the top. The out building is to the south of the bungalow and will not impact on the street scene when viewed from Racefield Close. It will impact the street when viewed from Tanyard Hill and the openness of the area. The Society wishes to maintain its objection.

Yours Sincerely

Mrs P A Lippiatt
Hon.Secretary
