Dear Sir/Madam

Re Gads Hill House School, Gravesend, Road, Higham, Rochester, ME3 7PA
Application for the partial approval of condition 3 (Repairs to garden walls)
and 5 (Gardener's Cottage Chimney) attached to planning ref. 20230281
Ref: GR/2026/0308

The Society would wish to comment that it would be preferable if the full height of the garden wall was restored. It is noted that the chimney has one flue capped with a ridge tile. Originally it would have a chimney pot on it and should be restored with, if necessary, something inside the pot to close the flue.

Yours faithfully,

[Redacted Signature]

Mrs P Lippiatt
Hon. Secretary
