10 April 2026

Dear Sir/Madam

Re 24 Beech Mast, Vigo, Gravesend, Daa13 0SX
Works to protected trees: Silver Birch (Betula Pendula) remove tree
in full due to structural unsuitability. Ref: GR/2026/0329

In the Society's view consideration should be given to planting a replacement tree further from the property.

Yours faithfully,

Mrs P Lippiatt
Hon. Secretary
