Dear Sirs

Re Land to the south of Upper Staple Hills Wood, Buckland Road, Luddesdown
Application for a determination as to whether prior approval is required for the
erection of a birds of prey tower for agricultural purposes

We refer to the above planning application, your reference GR/2023/0129 and would make the following comment.

Noting the appearance and location of this structure, in the Society's view this should be subject to planning consent. The proposed use in connection with agriculture is not explained and the environmental impact may need to be assessed.

Yours faithfully

Mrs P A Lippiatt
Hon.Secretary
