Reasons for comment:	
Comments:	With Wrotham Road being the main route into the town I believe the additional traffic this proposal will generate will prove to be dangerously more than the area can stand. We already have 2 McDonald's in the town, do we really need another one? Do we not care about the health of children, it will be a magnet to the pupils of St George's School! Litter. Anti social behavior. The smell of cooking for over 12 hours a day. As a council/planning department some of your planning decisions have at times been verging on the irresponsible and ludicrous, the market carpark? Ordnance Road? 52 Parrock Road?

Kind regards
