Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	For the sheer number of new homes, I have to object due to the lack of widening of roads in the area from all directions. The lack of improvement in the infrastructure currently in Meopham and the surrounding areas, such as schools, doctors, etc. This project is being treated separately with its own independence in mind, but it falls short of just being someone's hopeful vision and not the vision of anyone living in the neighbourhood and the effect on wildlife and the environment is not acceptable, where there are potential sites where this is less damaging!

Kind regards
