Reasons for comment:	
Comments:	I object to this proposal on the grounds that the site does not meet the definition of greybelt. It is still greenbelt and as such not suitable for development. The proposal will seriously impact infrastructure such as GP practices which are already at capacity. Over 1000 cars as additional traffic on the roads would cause more pollution. We should be protecting the countryside and its natural habitats - bats, barn owls and different birds of prey use this land.

Kind regards
