Reasons for comment:	
Comments:	There will be an impact on traffic congestion with parking overspilling onto nearby streets. This is a road safety issue, especially with a park and school nearby. This in turn increases the pollution in the local area. There will be a detrimental impact on nearby residents including an increase in noise and disturbance from increased footfall. With a park and school nearby this will have a detrimental effect on the health and nutrition of young people and an increase in rubbish being dropped in the local area.

Kind regards
