Reasons for comment:	
Comments:	I moved to the area [REDACTED] ago to be closer to the countryside in a semi rural area. Longfield and Meopham seemed ideal with open spaces and country parks close to me. If this development goes ahead it will impact on the whole area and Meopham and Sole street will completely lose their individual identities. I spend lots of time in the area, have joined local groups and in bad weather see lots of flooded roads, I also doubt Wrotham Road Camer Road and Norwood Lane will be able to cope with the additional traffic and as I use the Doctors Surgery in Meopham which is fully subscribed as already documented by the surgery I object to your planning application that has absolutely no consideration for the residents already in this area. It is a greedy plan from developers and landowners that will bring nothing but chaos and misery to this community.

Kind regards
