Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: I have no objection to the dormer on the front of the property. However:
The addition of the rear dormer will lead to the residents being able to see into [REDACTED] rear bedroom and garden.
It would have an adverse overbearing effect on [REDACTED] property along with a loss of visual amenity.
Also I would not like to see any later amendments that could potentially put a window on the side of the west elevation.

Kind regards
