Reasons for comment:	
Comments:	We have a great community in Istead Rise and enjoy the Greenbelt areas and natural habitats surrounding us. We do not have the infrastructure for more houses and this would be detrimental to our existing GP surgeries and local schools,shops and hospitals. It would cause more severe traffic congestions in and out of Istead Rise and the junctions of A227 as well as New Barn Road. This plan does not benefit or reflect the needs of local people, especially the existing residents of Istead Rise, a large percentage of whom purchased their property and have lived here for many years enjoying the semi rural surroundings like myself.

Kind regards
