Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I object the building of the houses in our green belt. We have already got problems getting appointments at our doctors with more houses being built it will get worse and worse. How do you expect the drs to cope with the extra 100 plus there families to get appointments if us residents can't get to see our doctors. Then there is the schools which I would think are full.

Kind regards
