Reasons for comment:	
Comments:	Istead Rise is not a suitable location for expansion. It's surrounding by greenbelt land. There isn't the infrastructure in place to support further home's. No railway, no proper bus service, no capacity for local drs, dentists. Why are any plans being considered for such an unsuitable place.Gravesham has many many disused areas that would be safe more suitable. Why even consider building on greenbelt/farmland. It makes no sense. Find suitable land and everyone will agree.

Kind regards
